Class 2023

## HELLO 3K FAMILIES!

We had a blast in May learning about things that grow and how they grow.

In May we were given the opportunity to observe the caterpillar life cycle in real time! To help us remember the life cycle sequence, we used songs and rhymes, as well as movement to understand how a caterpillar becomes a butterfly. We also took a look at how we've grown and changed since we were babies. We really enjoyed guessing which baby picture belonged to each classmate.

Please look at our fun learning moments in May!

We can't wait for all the fun activities planned for June! Our theme for this month is: Change. We will focus on how our actions impact growth and change.

## IMPORTANT DATES

- June 8th - School closed for Professional Development
- June 12-27th- No afterschool. Dismissal is at 2:20PM
- June 16th- Graduation at the Rec. Center from 11AM-2:20PM
- June 19th - School closed in honor of Juneteenth
- June 27th - Last day of school

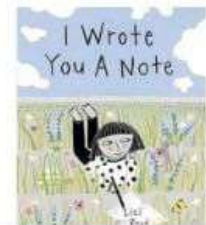

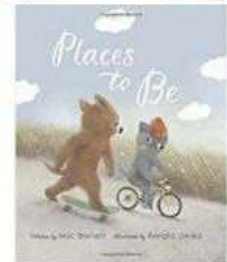

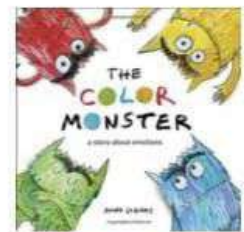

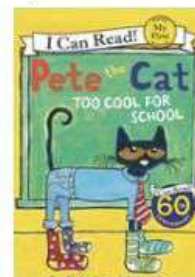

## UPCOMING BIRTHDAYS
